TRADITIONAL FINANCE (APR)

Our program is the perfect option for your commercial customers who prefer to own their new or used commercial vehicles. Commercial customers can drive as little or as much as their business requires, the freedom is theirs. We also offer the ability to customize commercial-use vehicles with various upfit options to meet business needs.

BENEFITS:

- Personal guarantee and corporate guarantee options
- Bundle with GM Financial's commercial Line of Credit
- Longer financing terms
- Monthly, quarterly, semi-annual and annual payment options
- Customizable upfit options
- Combined billing for business customers with multiple vehicles
